

Hybrid Instruction:

- **Must have AEPP approval**
- **WIOA (Literacy Classes only)**
- **Does not apply to Case Management, Assessments, or Vocational Training**
- **ALE Literacy Classes**
- **EPE only applies to the tutoring associated with EPE Distance Education packet programs**

Hybrid Instruction:

- **In person classes must meet for 50% (minimum) of class scheduled time**
- **Remote Learning portion cannot exceed 50% (maximum) of class scheduled time (must be synchronous instruction)**
- **Distance and In-person cannot take place at the same time (live streaming is not an option)**
- **Must be the same teacher for both in-person and remote synchronous**
- **If a student misses 3 consecutive in-person classes, the program must warn the student they will be removed from the remote class**

Hybrid Instruction:

- Programs approved for Hybrid Instruction must send their remote links/platforms to their RAEN director on the 20th of each month
- AEPP Regionals, RAEN, STAC, and Accountability office may choose to monitor either the in-person classes or the remote classes at any time
- Given their challenging schedules, they will monitor when available, no prior notice is necessary
